

Operations Manager / Assistant GM

Kensal Farmers Elevator Co.

Kensal, North Dakota

Qualifications

- Eight years of grain operations management experience.
- An associate degree or higher in an agriculture-related field is preferred.
- A CDL, or the ability to obtain one, is preferred.

About the Operation

- Kensal Farmers Elevator Co. operates a 110-car shuttle loader on the CP/KCS main line with updated, modern grain handling and drying equipment.
- The operation includes approximately three million bushels of upright storage, annual sales of approximately \$35 million, and seven employees.
- The Kensal location also includes a 6,500-ton dry fertilizer plant, three dry fertilizer spreaders, and supporting mobile equipment.

Compensation and Contact

- Compensation is competitive and depends on experience and qualifications.
- For more information, contact Chris Mashek at (701) 435-2451.
